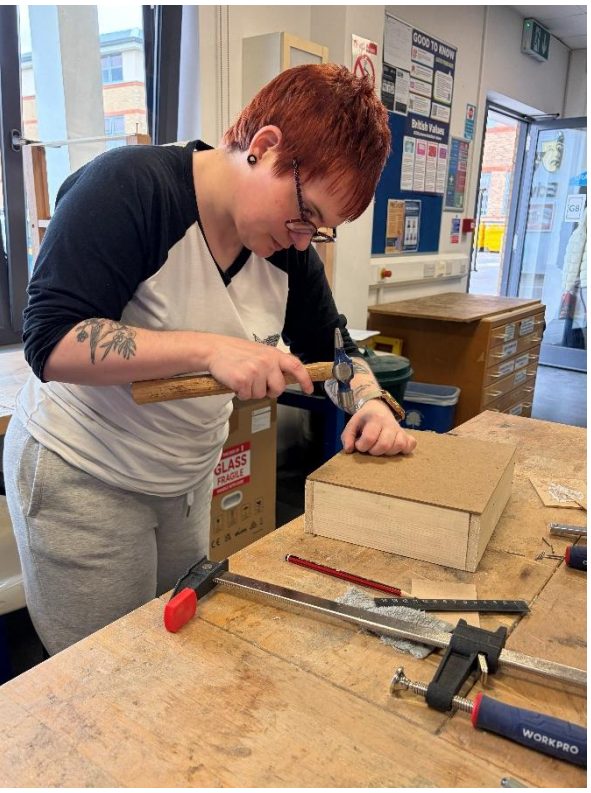
LONDON BOROUGH OF BEXLEY



Leisure and Hobbies Courses at the Learning and Enterprise College Bexley

If you are looking at learning a new skill or taking up a new hobby, take a look at our range of exciting courses available. Whether you're a complete beginner, wanting to try something new, or are keen to develop your skills further, we will have courses that suit your needs. Our Leisure and Hobbies courses are also a great way to meet people with similar interests, boost your creativity and turn what you love doing into a career.

All courses take place at our Brampton Road campus - Learning and Enterprise College Bexley, 5 Brampton Road, Bexleyheath, DA7 4EZ.

Materials and equipment requirements vary by course. Any items learners need to bring can be found in the course information on the LECB website at www.lecb.ac.uk.

Learners must be 19 years of age or above and be a UK resident. Full details of eligibility can be found on our website.

Disclaimer: All courses are subject to minimum enrolment numbers. We reserve the right to amend, reschedule or cancel any course where necessary due to low enrolment, staffing, or other operational requirements. Where possible, we will provide advance notice of any changes and inform affected learners of the available options.

Visit the website for full terms and conditions.

Art and Photography

Develop your creative skills through drawing, painting, mixed media, and photography. Whether you're a beginner or looking to refine your techniques, these courses encourage creativity and personal expression with guidance from experienced tutors. Open to learners at all stages.

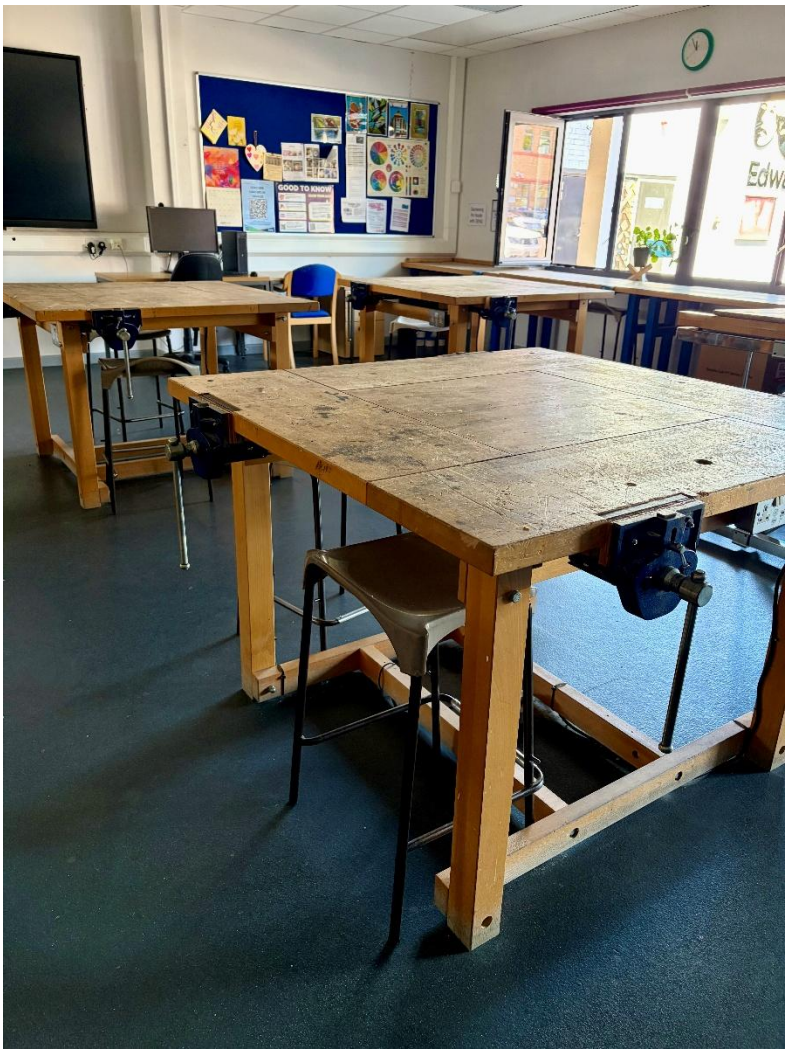
Specialist Facilities

Our creative workshops provide the ideal environment to learn, create and develop new skills. Whether you're trying something new or building on existing experience, you'll have access to professional equipment and expert tuition in dedicated teaching spaces.

Glass and Woodwork Workshop

Our glass workshop is equipped with everything needed for glass fusing, slumping and stained glass projects. Learners have access to dedicated glass kilns capable of firing at the precise temperatures required for a wide variety of creative techniques.

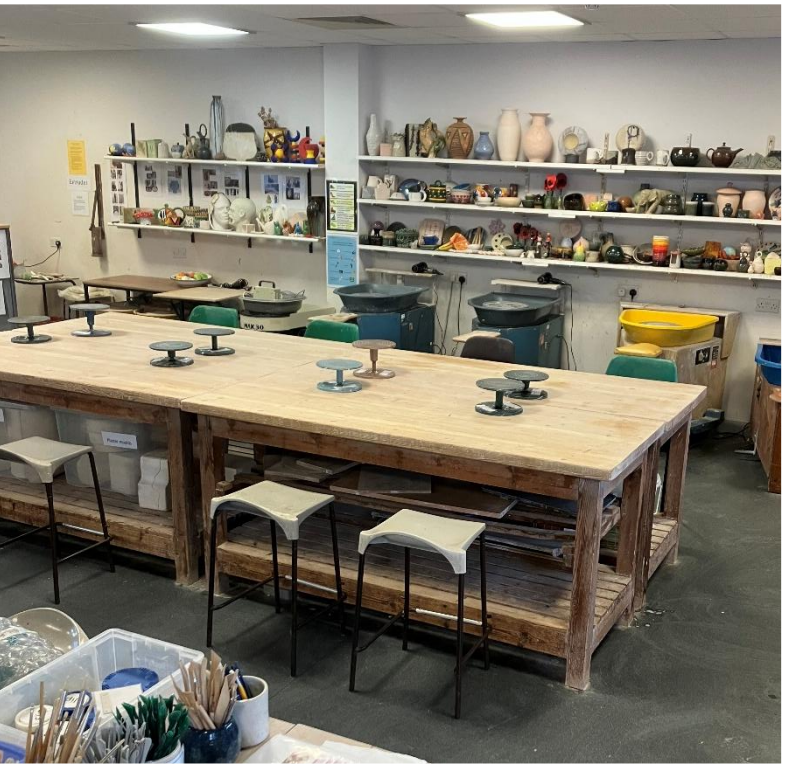
With purpose-built workspaces, professional cutting tools and specialist equipment, you'll learn safely while creating beautiful decorative and functional glass pieces under the guidance of experienced tutors.



Woodwork

Our woodworking classroom provides the perfect environment to develop practical woodworking skills. Equipped with professional workbenches, quality hand tools and specialist equipment, the workshop supports projects ranging from simple decorative pieces to more advanced furniture making.

Whether you're a complete beginner or looking to refine your craftsmanship, you'll work in a well-equipped space designed for creativity, precision and safe learning.



Pottery Workshop

Our fully equipped ceramics studio features professional pottery wheels, spacious hand-building areas, electric kilns, specialist clay recycling equipment, and an extensive range of glazes, finishes and decorating materials to help you achieve a wide variety of creative effects.

From wheel throwing and hand building to glazing and firing, you'll have everything you need to bring your ideas to life.

Hall and Studio Spaces

Our spacious hall and studio provide an excellent environment for fitness and movement courses.

The hall features a sprung suspended floor to reduce impact, air conditioned for year-round comfort, and a sound system, making it ideal for Ballroom Dance and Modern Line Dancing.

The studio is mirrored along one side and is ideal for dance and fitness.

Cookery

Our well-equipped cookery room provides a practical and welcoming environment for our learners to develop confidence in cooking and baking. Each workstation includes an oven, hob and sink, giving learners the opportunity to prepare and cook a wide variety of dishes during hands-on sessions.

Professional facilities. Expert tutors. Inspiring spaces. Everything you need to learn, create and enjoy your chosen craft.

Pottery

Learn the foundations of ceramic design, including wheel-throwing and hand-building techniques. Courses offer structured sessions in a supportive, fully equipped studio setting, taught by expert tutors and ceramics artists. A variety of courses are available for beginners and those with prior experience.
